Please run all sampling related issues through either myself or Randy. If a private company is doing it, we want to make sure its not a scam that is going to cause us issues in the future.

We will look at it. Not sure it makes sense to ask people to bring in samples. Chain of custody issues. Better to do it like region 8 is doing it. Go to folks that request it. but what do I know.

Subject: Gold King Mine spill - Private Well Testing

Hi all,

Please find attached a flyer regarding private well testing that was issued today.

Rebecca
